FAMILY OPPORTUNITY

Ex dairy country with abundant water supply, 2 great dams and the Belbora Creek plus several smaller dams in the high country. The pasture is mostly kikuyu and the land closer to the road is good quality grazing country. Only 15 minutes to Gloucester with a small distance of gravel with the property very accessible and is serviced by school bus. The high country has excellent views and some timber for farm use. There is some red brush country towards the rear of the block. The main farmhouse is an older style weatherboard with 3 bedrooms (main with ensuite) lounge room has a reverse cycle air conditioner, roomy kitchen & dining area with ceiling fan and walk in pantry. The home has country style verandahs around making the dwelling nice & cool. The home overlooks the main dam with appealing country scenery. A 8000 gallon rain water tank services the home. The second weatherboard farmhouse offers 2 bedrooms and is located in an elevated position overlooking the creek flat and the main homestead. Offering two homes and within close proximity to major towns, this rare offering provides the
