The Complete Family Lifestyle

Web ID: BON

This very spacious open planned home has everything for a family to grow, from the enormous living area, four large bedrooms, rumpus or theatre room, office and extra large undercover entertainment area. The super sized kitchen allows for intimate to banquet meal preparation. The master bedroom is set apart from the rest with its own ensuite and walk in robe. Storage is a key factor in this home with built-ins in all rooms. There is a special feeling of family togetherness in this home, as well as places for time out.

Set on a huge block of 1.5 acres, complete with 3-bay shed, smaller garden shed and the garden infrastructure all set out.
