LIVING RURAL

Web ID: WIL

This unique Rural setting is comprised of 4.74 Acres which meanders down to the Avon River. A wonderful level house site with panoramic views of the Gloucester Valley. This block is the largest in the Avon River Estate with all services available. You also have the added feature of your own creek that runs through the northern side. There is a good balance of trees for shade to run your very own livestock.

Take advantage of this amazing price due to the owners being overseas and the Exchange rate being so good at the moment. This is a unique opportunity to secure your very own piece of paradise with your own river.
