Located just 15 minutes to the West of Gloucester is an amazing 3 bedroom architecturally designed residence, built in a tranquil tree lined setting. The 3 bedrooms plus open plan living are wrapped in timber verandas. Raked ceilings and timber finishes create an attachment to the natural environment. Additional improvements include slow combustion fire in the living space and electric stove plus gas cook top in the timber country kitchen. Invite the king parrots and watch them play from the Northern lifestyle deck that also overlooks the fenced grazing paddock and stock dam.

This stunning little property has the seclusion so desired in today's world. You too can be inspired.
